PIONEER INSTITUTE FOR CA COACHING SINCE 1995

I would like to express my appreciation to PARAS INSTITUTE, for making study accounts and maths in an easier way.

First of all i would like to thank Surrender sir for showing utmost dedication and intrest in teaching all of us the a subject like accounts in an exciting way, and making us curious to know more of the subject.

Ritu maam has an excellent and quite a different way of teaching, she firstly helps all of us clear the concept of the chapter and then proceeds further. The clarity of concept by Ritu mam has helped me quite much.

I would also like to express my gratitude to the staff of PARAS INSTITUTE who has been working day and night and are providing us with all the lectures and even solving our smallest technical gliches.

So concluding with the fact that PARAS INSTITUTE is most balanced and organised institute from which you would love to study.
