Paras Institute is the best Institution for the Commerce Student. The way of teaching of teachers is brilliant. I had face so many problems in maths before joining the maths batch in Paras Institute. After joining the Institute, I could easily understand the concept. My favourite teacher is Surender Sir because the way of teaching is Outstanding. My elder brother and some friends told me that Accounts subject to "saath ki saath krna pdta hh" . But to be honest after attending lecture of Surender Sir, I could not find a single doubt in any concept. So I am confident that I will perform well because I have this Institute. A very special thanks to Paras Institute.
