Class - 10+2

Apex Public School

Hello Sir,

This is Chirag Goyal from M.P. Rohi, Fatehabad. In my +1 Class, I was below average student in accountancy, I find myself in difficult to understand this subject. But since the day i started taking classes from paras institute. After joining paras Institute +2 Class I started taking interest in accountancy because teaching method of surender sir is different from other teacher. Now accountacny is interesting subject for me. This is only because of interesting and systematic teaching style of Surender Sir.

Thanks Surender Sir and All Paras Team
