First of all I want to say thank you to PARAS INSTITUTE OF COMMERCE, DELHI...
Due to this pandemic, locked down was implemented all over the world. During Locked down everything is closed. It is my first experience when I am studying online.
Hello, I am Priya from Araria, Bihar. I am I-COM student. In starting day, I am very worried about my studies due to locked down, I didn't had to go classes but after a few days I joined paras institute of commerce for online studying. According to my experience PARAS INSTITUTE OF COMMERCE, is of the best institute for COMMERCE. It gives us opportunity to study like before without any worrying.

I would like specially mention about Accountancy subject, Which is taught by Surendra sir. Surendra sir is amazing teacher of Accountancy. He taught us Accountancy very easy and effective way. He gives us a perfect concept in accountancy. Firstly he gives preview of chapter, explain the topics by giving effective examples and doing some relevant questions. He gives us homework. Regular practice of Questions helps us to getting better results and perfection in Accounts.
I enjoy my Accountancy class and also appreciate the effort made by specially Surendra sir and Gaurav Bansal sir Nd all staffs in arranging it.....
THANKS 😊
PRIYA
