Paras Institute is not only an institution where they teach subjects like accounts and maths, it gives a real platform to prove what you are! The way they teach, being a student honestly I don't have even taught by any teacher like this. I don't have words to explain about the Paras institute. I shall always be highly obliged to this institute for this. Surender sir, I have no other words for him except legend. Sir always motivates us towards study. Surender sir, Ritu mam, CA Bansal sir, Sonu sir they are gems of Paras and I am lucky that I am part of the Paras family. According to me I was not so good at my studies I was expecting before joining Paras an average mark of approx 60 to 70 but after joining Paras I am expecting a minimum 98 marks that's because

a Paras Institute and Surender sir thank you sir during this covid-19 pandemic, I was literally depressed I was totally confused but when I got in touch with Paras institute, they guided me and motivated me towards my career and studies.. Hats off to you All members of Paras.. ❤️ 🙏
