Priyanka Inter N 20 Kait...

I am Priyanka
From-kaithal
After my foundation exams I was very confused about intermediate coaching..
All my seniors preferred me to go Delhi for inter coaching...
But then i came to know about PARAS INSTITUTE and i joined the institute after attending their seminar..
Initially I was scared because it was my first experience of online classes but my experience with Paras is too good..
Teachers visit our center time to time for cleaning our doubts.. And during Quarantine they interact on call with us...
Teaching method of all the teachers is too good..

- Dushyant sir teaches Tax and Fm. There are rumors about Tax that it very difficult to understand.. But Dushyant sir proves all that rumors wrong...He makes Tax easy for me..
