I am Tanisha Khurana,
I have been taking classes from
Paras Institute since 1.5 months.
All teachers are blessed with great
teaching method.
It never made me feel that I am new
for this. Gourav sir is amazing. His
way of teaching through art and
drawing makes everything very
easy , Law was a very new subject
to US and it was quite difficult to
understand but Gaurav sir made it
very easy.
Surender sir is very humble, his
way of teaching is very logical and
practical the thing which I like in
him the most is he treats every
student equal whether he or she is
intelligent or weak.
Ritu mam is a mathematician, her
maths tricks and shortcuts makes
maths very easy, I am non maths
student and I always thought that
maths in CA is quite difficult but
after getting taught by Ritu mam I
changed my thinking.
Nikhil sir's teaching is very cool and
next level! Revision in beginning of
every lecture makes chapters on
our tips.
He is very friendly.

Anju ma'am is very sweet.
Her personality development tips
are very useful and her way of
teaching grammar from beginning
is quite impressive.
Vivek sir has changed my point of
view eco. I always thought that Eco
is very boring subject or we can just
cram it and score good marks but
his way of teaching has made Eco
very beautiful subject to learn a lot
practically.
Entire management's work is
commendable. Sonam mam, Amita
mam nd Manoj takes our care in
such a way as we are their on kids.

Thank you the entire Paras team for
helping us in this pandemic.
I am very thankful to you for giving
me this golden opportunity to take
classes from your team.
