**Paras
Institute
is our
Second
Home!**

It is a matter of pleasure that Paras Institute has started an initiative to take feedback of past students about the coaching and study that we have gained here. I am really influenced with the problem solving mechanism of faculty. The Pattern of study is really very good with all the subjects under one roof. I still remember that we have studied the whole course without feeling any burden as continuous test series really help me to prepare and analyse my performance time by time. In this home (this institute is like a part of family for me) many motivational seminars, career counseling and interaction with seniors really help me to focus on the goal.
