Financial Assistant  
K.G. Somani & Co., Delhi

Teh. Hansi, Distt. Hisar, Haryana

## The Path of Success

I cleared my entire CA exams in first attempt. I have been associated with K G Somani & Co, Chartered Accountants for 3 years as an intern and later after qualification, I continued in that firm as a Financial Assistant. The journey of my CA course started from Paras Institute and that was the best time for learning, I have ever got in my career. The Base that I developed in Paras Institute made me able to add two words 'CA' before my name. Due to quality of teaching and hard work, I completed my CA course. I am greatly thankful to all the teachers of the institute for that.
